

# COULD YOU HELP AN OLDER DOG LIKE ME?

Jasper was taken to the vets to be put to sleep as his owner was unwell and could no longer look after him. Thanks to the quick thinking of the Veterinary staff and Oldies Club volunteers Jasper was swiftly moved into our care. Jasper is now enjoying his retirement in a warm and loving forever home.

Oldies Club is a charity dedicated to helping homeless older dogs. We support a number of dogs in foster homes and assist other rescues by advertising their older dogs on our website.

We are always in need of volunteers to help with many activities such as fostering , transporting, home visits, distributing posters and fundraising.

**If you would like to help other older dogs like Jasper please visit our website at [www.oldies.org.uk](http://www.oldies.org.uk) or alternatively email us at [oldies@oldies.org.uk](mailto:oldies@oldies.org.uk)**
